- Grouping Demo
- Conversion Functions
- Conversion Functions Demo
- Datetime Functions
- Datetime Functions Demo

Module 4: Subqueries

- Single-Row Subqueries
- Single-Row Subqueries Demo
- Multi-Row Subqueries
- Multi-Row Subqueries Demo
- Other Subquery Types
- Other Subquery Types Demo

Module 5: Data Manipulation Language

- Adding Data

Changing Data
Deleting Data
DML Demo

Module 6: Data Control Language

Security
Object Privileges
DCL Demo

Module 7: Data Definition Language

Creating Objects In The Database
Creating Objects In The Database Demo
Sequences
Sequenced Demo
Indexes
Views

Module 8: Combining Queries

Combining Queries

Module 9: Oracle 12C SQL Fundamentals Review

Oracle 12c SQL Fundamentals Review - Part 1
Oracle 12c SQL Fundamentals Review - Part 2
Oracle 12c SQL Fundamentals Review - Part 3
Conclusion
