Cisco 210-060 CICD: Implementing Cisco Collaboration Devices

Module 1: Introducing Cisco Collaboration Architecture

- Course Introduction
- Introducing Cisco Collaboration Architecture Part 1
- Introducing Cisco Collaboration Architecture Part 2
- Small To Mid-Size Business Part 1
- Small To Mid-Size Business Part 2
- Small To Mid-Size Business Part 3
- Cisco Unified Communications Manager Part 1
- Cisco Unified Communications Manager Part 2
- Cisco Unified Communications Manager Part 3
- Cisco Unified Connection
- Lab Introduction

Module 2: Telephony And Call Routing

- Telephony 101 Part 1
- Telephony 101 Part 2
- Telephony 101 Part 3
- Telephony 101 Part 4
- Telephony 101 Part 5
- Telephony 101 Part 6
- Call Routing 101 Part 1
- Call Routing 101 Part 2
- VoIP Call Routing 101
- Call Routing With DNS
- Deployment Scenarios Part 1
- Deployment Scenarios Part 2
- Deployment Scenarios Part 3
- Gateway Call Routing Basics Part 1
- Gateway Call Routing Basics Part 2
- Gateway Call Routing Basics Part 3
- Gateway Call Routing Basics Part 4
- Configuring The Gateway Lab Part 1
- Configuring The Gateway Lab Part 2

Module 3: Preparing The Network And Phone Behavior

- Preparing The Network For Voices Part 1
- Preparing The Network For Voices Part 2
- IP Phone Behavior

Configuring The LAN Lab
Standing Up The Platform Lab
Using OVA Templates To Deploy CUCM-CUC-IMP Lab Part 1
Using OVA Templates To Deploy CUCM-CUC-IMP Lab Part 2
Using OVA Templates To Deploy CUCM-CUC-IMP Lab Part 3
Using OVA Templates To Deploy CUCM-CUC-IMP Lab Part 4
Using OVA Templates To Deploy CUCM-CUC-IMP Lab Part 5
Using OVA Templates To Deploy CUCM-CUC-IMP Lab Part 6
Using OVA Templates To Deploy CUCM-CUC-IMP Lab Part 7
Using OVA Templates To Deploy Prime Collaboration Provisioning Lab Part 1
Using OVA Templates To Deploy Prime Collaboration Provisioning Lab Part 2

Module 4: CUCM Administration Interfaces

CUCM Administration Interfaces Part 1
CUCM Administration Interfaces Part 2
CUCM Stand Up
CUCM Stand Up Lab
End User Interfaces
End User Configuration Lab
AD Integration Lab
End Point Implementation Part 1
End Point Implementation Part 2
IMP Integration Lab
CUC Integration Lab Part 1
CUC Integration Lab Part 2
IP Communicator Lab
Profiles And Templates Lab
CUCME Phone Configuration
Configuring CUCME Lab Part 1
Configuring CUCME Lab Part 2
CUCM End-User Portal Lab
Configuring CUCM Phones From Scratch
Configuring Cisco SX20 Codec Part 1
Configuring Cisco SX20 Codec Part 2

Module 5: Call Configuration

Advanced Call Coverage Part 1
Advanced Call Coverage Part 2
Advanced Call Coverage Part 3
Call Coverage Lab Part 1
Call Coverage Lab Part 2
Call Coverage Lab Part 3
Call Coverage Lab Part 4
Call Coverage Lab Part 5
Calling Constrictions And COS Part 1
Calling Constrictions And COS Part 2
Implementing Class Of Control Lab Part 1
Implementing Class Of Control Lab Part 2
Connecting To The PSTN Part 1

Configuring Voice Gateway Features Lab Part 1
Configuring Voice Gateway Features Lab Part 2
Configuring Voice Gateway Features Lab Part 3
Connecting To The PSTN Part 2
PSTN Calling And Digit Manipulation Lab Part 1
PSTN Calling And Digit Manipulation Lab Part 2
PSTN Dial Plan Configuration Lab Part 1
PSTN Dial Plan Configuration Lab Part 2
Course Conclusion
