# Microsoft 70-462: Administering SQL Server 2012 Databases

## Lesson 1: Identifying the SQL Server Platform

Overview

DataStorage-Part 1

DataStorage-Part 2

## Lesson 2: Deploying SQL Server

Install-Part 1

Install-Part 2

## Lesson 3: Configuring SQL Server

Configuring-Part 1

Configuring-Part 2

Changing Memory-Part 1

Changing Memory-Part 2

Email-Part 1

Email-Part 2

## Lesson 4: Managing Databases in SQL Server 2012

User Databases-Part 1

User Databases-Part 2

User Databases-Part 3

User Databases-Part 4

User Databases-Part 5

## Lesson 5: Managing SQL Server Security

Setting Security-Part 1

Setting Security-Part 2

Server Roles-Part 1

Server Roles-Part 2

Setting Permissions-Part 1

Setting Permissions-Part 2

## Lesson 6: Implementing Advanced Security Settings

Querying Data From Multiple Tables-Part 1

- Querying Data From Multiple Tables-Part 2
- Querying Data From Multiple Tables-Part 3
- Querying Data From Multiple Tables-Part 4
- Querying Data From Multiple Tables-Part 5

## Lesson 7: Applying Encryption and Compression

- Encrypting And Compressing-Part 1
- Encrypting And Compressing-Part 2
- Encrypting And Compressing-Part 3

## Lesson 8: Working with Indexes and Log Files

- Functions-Part 1
- Functions-Part 2
- Functions-Part 3
- Functions-Part 4
- Functions-Part 5
- Functions-Part 6

## Lesson 9: Working with Backup and Restore

- Managing Backups-Part 1
- Managing Backups-Part 2
- Managing Backups-Part 3
- Managing Backups-Part 4
- Managing Backups-Part 5
- Managing Backups-Part 6
- Managing Backups-Part 7

## Lesson 10: Implementing High Availability

- Stored Procedures-Part 1
- Stored Procedures-Part 2
- Stored Procedures-Part 3
- Stored Procedures-Part 4

## Lesson 11: Optimizing Server Performance

- Managing SQL Performance-Part 1
- Managing SQL Performance-Part 2
- Managing SQL Performance-Part 3
- Managing SQL Performance-Part 4
- Managing SQL Performance-Part 5
- Managing SQL Performance-Part 6
- Managing SQL Performance-Part 7

## Lesson 12: Troubleshooting Issues and Recovering Databases

- Set Operators-Part 1
- Set Operators-Part 2

Set Operators-Part 3  
Set Operators-Part 4  
Set Operators-Part 5

## Lesson 13: Performing Advanced Database Management Tasks

Managing Database Infrastructures-Part 1  
Managing Database Infrastructures-Part 2  
Managing Database Infrastructures-Part 3
